## PREFACE

Most of the purposes of this handbook are obvious. It is intended primarily to furnish a means of access to the various aspects of development of those states which are collectively termed Latin America. Until lately little attempt has been made to study the evolution and international importance of our southern neighbors, as the paucity of comprehensive works on Hispanic America witnesses. Only with the increasing commercial importance of these states have we become aware of the existence of a number of large and potentially wealthy and powerful nations at our very door; and it must be confessed that as the origin of this interest was commercial, the basis of our concern continues to be primarily economic. Hence, we have been studying Latin-American social and cultural development largely for the purpose of understanding Latin-American business methods and opportunities.

We are coming to realize, however, that these southern republics have more to offer than mere opportunities for commercial and financial exploitation. It becomes increasingly evident that here are great nations in the making, having their own distinct types of institutions and culture, their own likes and dislikes, and, withal, a growing consciousness of self-dependence and strength which makes them constantly more worthy of consideration as friends or foes.

In a careful, sympathetic study of these budding nations we have the true germs of genuine Pan-Americanism. Only by thorough mutual understanding can all the nations of the western hemisphere develop a spirit of international coöperation based no longer on diplomatic expression of good will, but upon the recognition of common aims and interests toward the promotion of the common welfare.

It may be that proper appreciation of the existing mutual dependence can arrive only through the strengthening of the economic bonds already created. A study of our commercial relations with Latin America shows that the two Americas are essentially inter-dependent. For that reason, a considerable portion of the accompanying syllabus has been devoted to such considerations, in the hope that through the study of this practical basis of inter-American relations there may arise a Pan-American consciousness of common aims and interests, to which this little book is sincerely dedicated.

H. L. H.

## SKELETON OUTLINE

### I. THE COLONIAL ERA OF LATIN-AMERICAN HISTORY

- A.* The European Background
- B.* The Era of Discovery and Conquest
- C.* Iberian Colonies and Institutions in America

### II. EVOLUTION OF THE LATIN-AMERICAN NATIONS

- A.* The Struggles for Independence
- B.* Rise of the South American Republics
- C.* Course of the Northern Latin States and Dependencies

### III. LATIN-AMERICAN PROBLEMS AND COLLECTIVE DEVELOPMENT

- A.* National Growth of Latin States
- B.* Contemporary Social Conditions
- C.* Economic and Industrial Progress

### IV. PAN-AMERICAN AND INTERNATIONAL RELATIONS

- A.* Evolution of American Policies
- B.* Foreign Business and Trade Relations

LIST OF OUTLINE MAPS .....	19
----------------------------	----

## I. THE COLONIAL ERA OF LATIN-AMERICAN HISTORY

### A. The European Background.

1. Spanish and Portuguese Origins.	
a. The Racial Basis of Iberian History.....	23
b. Rise of the Spanish Kingdom.....	24
c. Hispanic Life and Institutions.....	25
2. Basis of the Expansion of Europe.	
a. Forces and Factors in Colonial Expansion.....	26
b. Widening of the European Horizon.....	28

### B. The Era of Discovery and Conquest.

1. The Unveiling of the New World.	
a. The Finding of Western Lands.....	29
b. Character of the New World.....	30
c. Native Life in Hispanic America.....	31
2. Beginning of the Occupation of America.	
a. First Stages in Colonization.....	32
b. The Conquest of Indian States.....	34

### C. Iberian Colonies and Institutions in America.

1. Colonial Government and Territorial Expansion.	
a. Methods of Iberian Imperial Control.....	35
b. The Rise of Spanish Agricultural Colonies.....	36
c. The Portuguese in Brazil.....	37
2. General Survey of Colonial Economic Development.	
a. Trade and Colonial Competition .....	39
b. Internal Administration of the Colonies.....	40
c. Labor Problems and Industrial Progress.....	41
3. Eighteenth Century Social Conditions.	
a. Religious Institutions in the Colonies.....	43
b. Phases of Social Evolution.....	44

## II. EVOLUTION OF THE LATIN-AMERICAN NATIONS

A. The Struggles for Independence.	PAGE
1. The Liberation of Spanish South America.	
a. Preliminaries of Latin-American Independence.....	46
b. Early Phases of the Revolutionary Movements.....	47
c. The Final Series of South American Revolutions.....	48
2. Minor Revolutionary Movements.	
a. The Independence of Brazil.....	50
b. Revolution in Mexico and the Caribbean.....	51
3. The Establishment of Latin-American Independence.	
a. Evolution of a Policy of American Isolation.....	52
b. Recognition: the Monroe Doctrine.....	53
B. Rise of the South American Republics.	
1. Rise of Progressive Latin-American States.	
a. The Development of Argentina.....	55
b. The Progress of Brazil.....	56
c. The Growth of Chile.....	57
d. The National History of Uruguay.....	59
2. Course of the Undeveloped Republics.	
a. The Caribbean States: Venezuela and Colombia.....	60
b. The Pacific States: Ecuador and Peru.....	61
c. The Interior States: Bolivia and Paraguay.....	63
C. Course of the Northern Latin States and Dependencies.	
1. History of the Continental Republics.	
a. Outline of Mexican Evolution.....	64
b. The Central American States.....	66
2. Island States and Colonies.	
a. The West Indian Republics.....	67
b. Foreign Colonial Possessions in Latin America.....	68

## III. LATIN-AMERICAN PROBLEMS AND COLLECTIVE DEVELOPMENT

4. National Growth of Latin-American States.	
1. Stages in National Evolution.	
a. The Age of Dictators, 1826-1852.....	70
b. The Struggle for Political Stability, 1852-1876.....	71
c. The Period of National Progress, 1876-1922.....	72

*Americas (The)*. Monthly. Foreign Department, National City Bank, N. Y.  
*Annals of the American Academy of Political and Social Science*. Bi-monthly. Issued by the American Academy of Political and Social Science, Concord, N. H.  
*Bulletin of the Pan-American Union*. Monthly. Issued by the Pan-American Union, Washington, D. C.  
*Commerce Reports*. Daily. Issued by the Department of Commerce, Government Printing Office, Washington, D. C.  
*Commercial America*. Monthly. Philadelphia Commercial Museum, Philadelphia, Pa.  
*Hispanic American Historical Review*. Quarterly. Published for the Board of Directors of *The Review* by Williams and Wilkins Co., Baltimore, Md.  
*Inter-America*. A monthly magazine. Doubleday, Page & Co., Garden City, N. Y.  
*International Conciliation*. Monthly Bulletin of the American Association for International Conciliation, N. Y.  
*Journal of International Relations*. (*Journal of Race Development*.) Quarterly. Worcester, Mass.  
*League of Nations*. Bi-monthly bulletin. World Peace Foundation, Boston.  
*London Times*. (South American Supplement.) Daily.  
*New York Commercial*. Daily.

*Pan-American Magazine*. Monthly. The Pan-American Magazine, Inc., N. Y.

*Political Science Quarterly*. Published tri-monthly by the Academy of Political Science, Columbia University, N. Y.

*Quarterly Journal of Economics*. Published tri-monthly by the Harvard University Press, Cambridge, Mass.

*South American (The)*. Monthly. Issued by the South American Publishing Co., Inc., N. Y.

## 2. Yearbooks, Commercial Guides, etc.

*American Yearbook (The)*. Appleton & Co., N. Y.

*Annual Report of the Council of the Corporation of Foreign Bond-holders*. London.

Bureau of Foreign and Domestic Commerce, Trade Directories. Government Printing Office, Washington, D. C.

Cattell, E. J., and Others (eds.), *Foreign Commercial Guide: South America*. Philadelphia Commercial Museum, Philadelphia, Pa., 1906.

*Directory of Latin America*. Universal Publicity Co., N. Y.

*Exporters' Encyclopedia*. Exporters' Encyclopedia Co., N. Y.

*Export Trade Directory*. The American Exporter, N. Y.

National Foreign Trade Conventions, *Accounts of Proceedings*. Issued for the years 1914-1919 by the Secretary of the Convention, N. Y.

*Pan-American Directory*. Pan-American Directory Corporation, N. Y.

*Proceedings of the International Trade Conference*. National Association of Manufacturers, N. Y., 1915.

*Reports of the Pan-American Commercial Conferences*. Published for the years 1911, 1919. Government Printing Office, Washington, D. C., 1912, 1920.

*South American Year Book*. L. Cassier & Co., London.

Wilcox, M. and Rines, G. E. (eds.), *Encyclopedia of Latin America*. The Encyclopedia Americana Corp., 1917.

## E. Further Bibliographical Suggestions.

### 1. General Phases of Latin-American Development.

*Cambridge Modern History*, vol. I, pp. 693-699; vol. X, pp. 812-826; vol. XII, pp. 949-953.

Cundall, F., *Bibliography of the West Indies* (Excluding Jamaica). Kingston, 1909.

Goldsmith, P. H., *Brief Bibliography of Books Relating to Latin-American Republics*. Macmillan, 1915.

Jones, C. K., *Hispanic American Bibliographies*. Hispanic American Historical Review, vols. III, IV.

Koebel, J. H., *British Exploits in South America*, pp. 555-569.

[Also see Indexes to articles in current publications: e.g., "Poole's," "Reader's Guide," etc.]

2. United States Political Relations with Latin America.

Hart, A. B., *The Monroe Doctrine, An Interpretation*, pp. 405-421.

Haase, A. R., *Index to United States Documents Relating to Foreign Affairs*. Carnegie Institute, 1914.

Jones, C. L., *Caribbean Interests of the United States*, pp. 353-358.

Meyer, H. H. B., *List of References on the Monroe Doctrine*. (Wash.) Gov't Print. Off., 1919.

3. United States Commercial and Business Relations with Latin America.

Filsinger, E. B., *Exporting to Latin America*, pp. 465-498.

Shuey, H. S., *Bibliography of Foreign Trade Publications*. (S. Fran.) Bosch, 1918.

United States Department of Commerce, Bureau of Foreign and Domestic Commerce, *Catalogue of Bureau Publications*. (Wash.) Gov't Print. Off., 1920.

## LIST OF OUTLINE MAPS AND SUGGESTIONS FOR USE

### I. THE EUROPEAN BACKGROUND OF HISPANIC-AMERICAN HISTORY, facing p. 28.

#### To show:<sup>1</sup>

Racial elements in the Iberian peninsula  
Political evolution of Spain and Portugal  
Geographic, economic, and ethnographic conditions  
Principal Hispanic ports; etc.

#### Map references:<sup>2</sup>

Bolton and Marshall, *Colonization of North America*, p. 15.  
Cheyney, *European Background of American History*, p. 80.  
Dow, *Atlas of European History*, pp. 2, 4, 5, 6, 8, 9, 15, etc.  
Grant, *Passing of the Great Race*, pp. 266-272.  
Muir, *Hammond's New Historical Atlas*, pp. 1-4, 6-9, 18-19.  
Putzger, *Historischer Schul-Atlas*, pp. 2, 3, 9, 12, 13, 16, 17, 20.  
Shepherd, *Historical Atlas*, pp. 2, 34, 38, 45, 54, 82, 83.

### II. THE FIELD OF DISCOVERY AND CONQUEST, facing p. 34.

#### To show:

Native peoples in the New World  
Early voyages of discovery

<sup>1</sup> These and subsequent suggestions are given to indicate but a few of the several ways in which the accompanying outline maps may be employed. The maps may be prepared to show any one of the features here proposed, or several of them, or other phases of Hispanic-American development not mentioned.

<sup>2</sup> It is practically impossible to give a complete list of maps suitable for study or use in preparing the outline maps according to specifications. Many of the best maps for special purposes are to be found in periodicals and bulletins. Those cited here are more or less general in character, and will often have to be supplemented from other sources.

Papal Line of Demarcation and Treaty of Torredesillas  
 First Spanish settlements in America  
 The conquest of Mexico and Peru; etc.

### Map references:

Bolton and Marshall, *Colonization of North America*, pp. 6, 9, 18, 30, 143, etc.  
 Bourne, *Spain in America*, p. 35.  
 Dow, *Atlas of European History*, p. 16.  
 Muir, *Hammond's New Historical Atlas*, pp. 46-47.  
 Koebel, *South America*, p. 9.  
 Shepherd, *Historical Atlas*, pp. 105-111.

## III. COLONIAL EXPANSION IN AMERICA, facing p. 44.

### To show:

Establishment of the continental colonies  
 Hispanic colonial administrative districts  
 Areas of missionary (Jesuit) activity  
 Hispanic possessions at their greatest extent  
 Principal centers of colonial population; etc.

### Map references:

Bolton and Marshall, *Colonization of North America*, pp. 63, 68, 250, 390, 399.  
 Bourne, *Spain in America*, p. 135.  
 Dawson, *The South American Republics*, I, p. 512.  
 Muir, *Hammond's New Historical Atlas*, pp. 47-50, 53, 56.  
 Putzger, *Historischer Schul-Atlas*, pp. 38-39.  
 Shepherd, *Historical Atlas*, pp. 128, 136, 214-215.  
 Sweet, *History of Latin America*, pp. 82, 136.

## IV. THE REVOLUTIONARY PERIOD IN SOUTH AMERICA, facing p. 52.

### To show:

Fields of filibustering activity  
 Important fleet movements  
 Revolutionary campaigns and decisive battles  
 Progress toward independence; etc.

**Map references:**

- Dawson, *The South American Republics*, II, p. 489.  
 Dow, *Atlas, of European History*, p. 31.  
 Muir, *Hammond's New Historical Atlas*, pp. 51, 58.  
 Sweet, *History of Latin America*, pp. 156, 170.

**V. THE AMERICAN MEDITERRANEAN, facing p. 68.****To show:**

- The present and proposed canal routes  
 Economic conditions in the northern republics  
 United States' "protectorates"  
 European colonial possessions  
 Routes of trade and commerce; etc.

**Map references:**

- Bowman, *The New World*, p. 560.  
 Hart, *The Monroe Doctrine*, frontispiece.  
 Jones, *Caribbean Interests of the United States*.  
 Latané, *The United States and Latin America*, p. 262.  
 Muir, *Hammond's New Historical Atlas*, p. 53.  
*National Geographic Magazine*, xxxiv, p. 402; xli, p. 221.  
 Shepherd, *Historical Atlas*, pp. 181, 187, 201, 213.  
 Sweet, *History of Latin America*, pp. 170, 243, 245, 250, 251.

**VI. HISPANIC-AMERICAN POLITICAL DEVELOPMENT, facing p. 78.****To show:**

- The Monroe Doctrine  
 Types of Latin-American government  
 Tendencies toward disintegration or consolidation  
 Boundary controversies and adjustments  
 Inter-state and foreign wars; etc.

**Map references:**

- Bowman, *The New World*, pp. 570, 572, 574, 578.  
 Akers, *History of South America*, pp. 576, end of vol.  
 Aughinbaugh, *Selling Latin America*, frontispiece.  
 Bryce, *South America: Observations and Impressions*, appendix.  
 Bullard, *Panama*, p. 66.

Hart, *The Monroe Doctrine; an Interpretation*, frontispiece.

Muir, *Hammond's New Historical Atlas*, p. 52.

*National Geographic Magazine*, xl, p. 238.

Shepherd, *Historical Atlas*, pp. 201-203, 213.

## VII. ECONOMIC CONDITIONS IN SOUTH AMERICA, facing p. 92.

### To show:

Geographical and climatic conditions

Natural resources: minerals, forests, water power

Areas of animal and vegetable production

Manufacturing industries

Principal ports, lines of navigation; etc.

### Map references:

Garcia-Calderon, *Latin America*, p. 401.

Koebel, *South America*, p. 292.

Muir, *Hammond's New Historical Atlas*, p. 58.

*National Geographic Magazine*, xl, p. 238.

Porter, *The Ten Republics*, pp. 101, 113, 157, 185, 207, 247, 264.

Shepherd, *Historical Atlas*, pp. 179-182.

Sweet, *History of Latin America*, pp. 22, 240, 243-245.

## VIII. PAN-AMERICAN RELATIONS, facing p. 104.

### To show:

The Panama Canal and its use

The proposed Pan-American railway

Principal highways and railroads of Latin America

Attitude of Latin America toward the Great War; etc.

### Map references:

Aughinbaugh, *Selling Latin America*, pp. 138, 168.

Bryce, *South America*, appendix.

Bullard, *Panama*, pp. 66, 460.

Garcia-Calderon, *Latin America*, p. 401.

Kirkpatrick, *South America and the War*.

*National Geographic Magazine*, xxxiv, p. 402; xxxvi, p. 194; xxxviii, pp. 5, 489; xl, p. 238.

Shepherd, *Historical Atlas*, p. 216.

Sweet, *History of Latin America*, pp. 190, 248, 250, 251.

# I. THE COLONIAL ERA OF LATIN-AMERICAN HISTORY

## A. THE EUROPEAN BACKGROUND

### I. SPANISH AND PORTUGUESE ORIGINS

#### a. *The Racial Basis of Iberian History.*

##### (1) The Formative Period.

###### (a) Physical Characteristics of the Peninsula.

- i. Its size and position.
- ii. Topography and climate: their influence.

###### (b) The Early Inhabitants of Spain.

- i. Nature of the primitive Celto-Iberians.
- ii. Extent of Carthaginian and Roman colonization.
- iii. Spain "more Roman than Rome."
- iv. Permanent effects of Roman domination.

##### (2) Later Racial and Cultural Elements.

###### (a) The Germanic Invasions.

- i. Successive waves of Teutonic barbarians.
- ii. Culture of the Visigothic Kingdom.

###### (b) The Mohammedan Régime.

- i. Character of the Moslem conquest.
- ii. Survival of Christian centers of resistance.
- iii. Development of Moorish culture and institutions.

###### (c) Characteristics of the Conquering Race.

- i. Psychological traits: African fanaticism.
- ii. Individualism and its aspects.

## 2. POLITICAL CHARACTERISTICS OF LATIN-AMERICAN STATES

### *a. Types of Latin-American Government.*

#### (1) The Latin-American Conception of Government.

##### (a) Theories of Democracy and Representation.

- i. Latin-American definition of democracy.
- ii. Usual bases of representation and suffrage.
- iii. Absence of belief in political toleration.

##### (b) The Attitude toward Constitutional Government.

- i. Constitutions as statements of ideals.
- ii. Frequent changes in instruments of government.

##### (c) The Varieties of Latin-American Republics.

- i. Instances of centralized government.
- ii. Rise of federal republics.
- iii. Factors determining the form of government.

#### (2) Functions and Departments of Government.

##### (a) The Executive Authority.

- i. Methods of presidential nomination and election.
- ii. Types and functions of executive councils.

##### (b) The Legislative Branch.

- i. Predominance of the bi-cameral system.
- ii. Methods of election: qualifications.
- iii. Tendencies toward parliamentary government.

##### (c) The Judiciary.

- i. Usual types and interrelation of courts.
- ii. Selection and functions of judges: Roman law.

## b. Governmental Policies and Administration.

## (1) Government Revenue and National Policy.

## (a) Sources of State Funds.

- i. Size and location of the burden of taxation.
- ii. Kinds of excise taxes and internal revenue.
- iii. The tariff as a political issue.
- iv. Questions relating to currency and national debts.

## (b) Matters of General Policy.

- i. Military systems and universal service.
- ii. Interest in internal development.
- iii. Attitude toward social and religious problems.

## (2) Features of Political Activity.

## (a) Nature of Political Issues.

- i. Government for party interests.
- ii. The dominance of financial issues.
- iii. Questions of internal improvement.

## (b) Party Politics and Alignment.

- i. Types of conservative and progressive parties.
- ii. Political malcontents and party change.
- iii. Religious matters in party organization.

## (c) Political Abuses and Partial Remedies.

- i. Relative absence of public opinion: illiteracy.
- ii. Kinds and extent of political corruption.
- iii. Inefficiency of bureaucratic government.
- iv. Election reform: the ballot in Argentina.

## 3. LATIN-AMERICAN INTER-STATE RELATIONS

a. *Partial Disintegration and Resultant Problems.*

## (1) Dissolution of Early Federations.

## (a) Centrifugal Tendencies after the Revolutionary Wars.

- i. The forces tending toward disintegration.
- ii. The question of centralization *versus* federation.
- iii. Character of the states decentralized or disrupted.
- iv. Impossibility of a United States of South America.

- (b) The Early Disappearance of Great Colombia.
  - i. Origin and first extent of the state.
  - ii. Its basis: the individual prowess of Bolivar.
  - iii. The rise of Venezuela, Ecuador, New Granada.
- (c) Decline of the Central American Federation.
  - i. Formation of the federation, 1824-1825.
  - ii. Elements of discord: inter-state rivalry.
  - iii. Dissolution of the pact.
  - iv. Subsequent attempts at federation, *e.g.*: 1842, 1847, 1921.
  - v. Recent inter-state relations: the Court of Justice.
- (2) Resolution of Forces in Unstable Political Combinations.
  - (a) Separation of Santo Domingo and Haiti.
    - i. Their mutual wars for independence.
    - ii. The establishment of separate republics: causes.
  - (b) The Panama-Colombia Controversy.
    - i. Long standing grievances against Colombia.
    - ii. Panama's unsuccessful attempts at revolution.
    - iii. Factors in the revolution of 1903.
    - iv. Continuation of strained Colombian relations.

## B. CONTEMPORARY LATIN-AMERICAN SOCIAL CONDITIONS

### I. ANALYSIS OF LATIN-AMERICAN SOCIETY

#### a. *The Social Structure.*

##### (1) Racial Elements in the Latin-American Nations.

##### (a) Racial Composition of Different States.

- i. Numerical predominance of the Indian.
- ii. Regional distribution of negroes: Brazil.
- iii. The "white" states: reasons.

##### (b) Relative Numbers of Racial Elements.

- i. Difficulties of accurate estimation: the census.
- ii. Latin-American methods of race determination.
- iii. Approximation of numbers and ratios.
- iv. Comparison of different sections.

- (c) The Process of Race Amalgamation.
  - i. Lack of race prejudice: intermarriage.
  - ii. Types of racial mixtures: characteristics.
  - iii. Effects of race mingling on national traits.
- (2) Latin America as a Racial and Social Laboratory.
  - (a) The Addition of New Social Elements.
    - i. Recent waves of immigration.
    - ii. European countries represented: motives.
    - iii. The trend of settlement.
  - (b) Effects of the Extensive Immigration.
    - i. Relative numbers of the new elements.
    - ii. Establishment of European group settlements.
    - iii. Latin-American attitude: immigration inducements.

*b. Types of Social and Labor Problems.*

(1) The Bases of Latin-American Social Strata.

(a) The Higher Social Strata.

- i. Political and social dominance of the whites.
- ii. Influence of wealth and family in social standing.
- iii. Usual identity of political and social positions.
- iv. Relation between occupation and social gradations.

(b) The System of Peonage: Origin and Extent.

- i. The economic basis for peonage.
- ii. Social status and style of life of the peon.
- iii. Variations in conditions of peonage.
- iv. Forces supporting the system: labor regulations.

(2) The Problems of Social Life.

(a) Housing and Health Conditions.

- i. Housing conditions in city and country.
- ii. Significance of the death rate: figures.
- iii. Rising interest in housing and sanitation.
- iv. Important work by Americans: Guayaquil; Panama.

(b) Questions of a Moral Nature.

- i. Moral laxity: marriage laws and their abuse.
- ii. Increasing prevalence of divorce.
- iii. Resultant evils and proposed remedies.

(c) Problems Relating to the Church.

- i. Extensive power and influence of the clergy.
- ii. Luxury and corruption in the Church.
- iii. Exploitation of the ignorant masses.
- iv. Movements toward separation of Church and State.

c. *Aspects of Latin-American Life and Customs.*

## (1) Features of Individual Life and Family Character.

## (a) The Latin-American Home.

- i. Types of buildings: urban and rural.
- ii. The position of woman: variations.
- iii. Nature of home life: hospitality.
- iv. Comparison of classes as to housing and food.

## (b) Influence of the Church: Irreligion.

- i. General attitude toward religious observances.
- ii. Moral instruction and prevalence of immorality.
- iii. Tendencies toward religious liberty.

## (2) Types of Social Activities.

## (a) Latin-American Sports and Diversions.

- i. Influence of English, French and American games.
- ii. Relative interest in outdoor sports.
- iii. Popularity of animal baiting and racing.

## (b) Popular Pastimes and Amusements.

- i. Prevalence and forms of gambling.
- ii. Interest in festivals and carnivals.
- iii. The place of the opera.

- (c) Evidences of Latin Temperament.
- i. Styles of dress: origin and ostentation.
  - ii. Characteristics of social etiquette.
  - iii. Social customs in business.

## 2. INTELLECTUAL AND CULTURAL DEVELOPMENT

### a. *Problems and Progress in Education.*

#### (1) Popular Education in Latin America.

##### (a) The Educational Problem.

- i. Illiteracy: causes and extent (percentages).
- ii. Obstacles to popular education: economic and religious.

##### (b) Progress in Popular Education.

- i. Compulsory elementary education laws: results.
- ii. Nature and control of secondary schools.
- iii. Foreign influences in education.

- (c) Development of Higher Education.
  - i. Establishment of universities: examples.
  - ii. Purpose and organization of universities.
  - iii. Character of advanced work: libraries and equipment.
- (2) Achievements in Intellectual Endeavor.
  - (a) Development in the Arts and Sciences.
    - i. Beginnings of scientific education.
    - ii. Industrial and technical instruction.
    - iii. Progress in educational methods.
  - (b) Interest in Educational Problems.
    - i. Establishment of normal schools.
    - ii. Attempts at rural education.
    - iii. Evidences of popular interest in education.
    - iv. Immensity of the educational problem.

## C. LATIN-AMERICAN ECONOMIC AND INDUSTRIAL PROGRESS

### I. TYPES OF FARMING ACTIVITIES

#### a. *Plant Industries of the Tropics.*

##### (1) Tropical Plants of Industry.

##### (a) Characteristics of Tropical Industries.

- i. Extent and degree of soil cultivation.
- ii. Types of labor and related problems.

##### (b) The Rubber Industry.

- i. Origin of the trade: harvesting methods.
- ii. Rapid growth of the rubber trade: value.

##### (c) Cultivation of Fabric Plants.

- i. Extent of cotton production.
- ii. Growing importance of flax, hemp, sisal.

##### (d) Production of Narcotics and Drugs.

- i. Areas and relative value of tobacco cultivation.
- ii. Varieties and sources of herbs and drugs.

## (2) Commercial Varieties of Food Plants.

## (a) Development of the Fruit Industry.

- i. Extent of the banana industry: Costa Rica.
- ii. Cultivation of citrus fruits.
- iii. Methods of packing and shipping: chief markets.

## (b) Coffee and Cocoa Production.

- i. Areas of growth: Brazil.
- ii. Cultivation and harvesting methods.
- iii. Commercial value and markets.

## (c) Sugar and Allied Industries.

- i. Distribution of sugar areas: West Indies.
- ii. Cultivation and milling methods.
- iii. By-products: value of molasses and rum.

b. *Agricultural Development in Temperate Regions.*

## (1) Factors in Temperate Farming.

## (a) The Land Situation.

- i. Extent of public lands: homestead acts.
- ii. Relation of cheap land to immigration.
- iii. Conditions of sale: size of estates (*haciendas*).

## (b) Aids to Agricultural Extension.

- i. State provisions for bounties, loans, etc.
- ii. Functions of tariffs and tax exemptions.
- iii. Agricultural and farm loan banks.

## (2) Character of Agricultural Activities.

## (a) Distribution and Extent of Temperate Farming.

- i. Dependence on climate and rainfall.
- ii. Serious lack of marketing facilities.
- iii. Production for local consumption.
- iv. Competition between plant and stock farming.

## (b) Latin-American Farming Methods.

- i. Types of labor: peonage.
- ii. The use of domestic animals.
- iii. Kinds and quality of farm machinery.

## (c) Variety and Importance of Farm Products.

- i. Introduction of foreign food plants.
- ii. The growing production of cereals.
- iii. Relative value of grain exports.

*c. Importance of Live Stock Industries.*

(1) Extent of the Grazing Business.

(a) Introductory Considerations.

- i. Sections adapted to stock raising.
- ii. Size of ranches (*estancias*); *cf.* western United States.
- iii. Extent of cattle raising: Argentina.
- iv. Varieties of marketable animals.

(b) Factors Contributing to the Grazing Industry.

- i. Experiment stations and information bureaus.
- ii. Services of national expositions.
- iii. Miscellaneous sources of propaganda.

(2) Economic Value of the Animal Industries.

(a) Stock Raising Methods:

- i. Introduction of European animal strains.
- ii. Live stock breeding: evolution of new types.
- iii. Rapid increase in live stock numbers.
- iv. Application of scientific stock raising methods.

(b) Relation of Animal Growing to the Foreign Trade.

- i. The meat packing industry: methods.
- ii. The export and value of raw wool.
- iii. The value of hides, tallow, dairy products.
- iv. Present tendency of the trade: prices.

## 2. MINING AND MANUFACTURING CONDITIONS

### a. *Exploitation of Natural Resources.*

#### (1) Extent and Value of Mineral Wealth in Latin America.

##### (a) Nitrates and Their Utilization.

- i. Nature and uses of nitrates: origin.
- ii. Value of the South American fields: Chile.
- iii. Methods of mining and shipping.

##### (b) Stores of Metals and Precious Stones.

- i. Extent of deposits of precious metals.
- ii. Annual output of silver and gold: Bolivia.
- iii. Mining production of the baser metals.
- iv. Quality and value of precious stones: Brazil.

##### (c) Growth of the Oil Industry.

- i. Extent and value of oil fields: Mexico.
- ii. Attraction of foreign capital.

##### (d) Factors in Mining Development.

- i. Liberal mining concessions and regulations.
- ii. Governmental encouragement: machinery importations.

#### (2) Resources of the Soil.

##### (a) Potentialities of the Tropics.

- i. Unexplored tropical regions: primitive forests.
- ii. Possibilities in river transportation.
- iii. Extent and value of the logging industry.

## (b) Exploitation of the Soil.

- i. Varieties of soil and climatic conditions.
- ii. Soil utilization: drainage and irrigation.
- iii. Available water power.

b. *Rise of Manufacturing Industries.*

## (1) Existing Problems in Factory Development.

## (a) The "Sinews" of Manufacturing.

- i. Scarcity of capital and skilled labor.
- ii. Employment of foreign capital: instances.
- iii. Questions of machinery and fuel.

## (b) Efforts toward Industrial Independence.

- i. Recent interest in water power.
- ii. Regulation of duties: high protection.
- iii. Government attention to industrial necessities.

VII. ECONOMIC CONDITIONS IN SOUTH AMERICA

## (2) Characteristics of Latin-American Manufactures.

## (a) Types of Manufacturing Activity.

- i. The appearance of textile factories.
- ii. Character of the metal industries.
- iii. Manufacture of sugar products.
- iv. Packing industries and manufacture of by-products.
- v. Fabrication for local needs: the domestic system.

## (b) The Relation of Manufacturing and commerce.

- i. The tendency toward economic independence.
- ii. Relation of manufactures to the staple industries.
- iii. Establishment of European and American branch factories.
- iv. Absence of manufacturing in the tropics.
- v. The present unfavorable balance of trade.

## IV. PAN-AMERICANISM AND INTERNATIONAL RELATIONS

### A. EVOLUTION OF AMERICAN POLICIES

#### I. TRANSITION STAGES OF THE MONROE DOCTRINE

##### a. *Early Variations of the Monroe Doctrine.*

##### (1) Corollaries of National Expansion.

##### (a) The Period of National Realization.

- i. Interpretations of the Doctrine from 1823 to 1826.
- ii. Its application to the Falkland Islands case.
- iii. Its use in Cuban protection.
- iv. Revival of the Doctrine, 1844.

##### (b) The Monroe Doctrine in National Aggression.

- i. The Mexican War and Latin-American Attitude.
- ii. Formulation of the Polk Doctrine.
- iii. The Doctrine in canal negotiations.
- iv. Evolution of the Doctrine of American Supremacy.

##### (2) Growth of the Idea of Intervention.

##### (a) The French Invasion of Mexico, 1861-1867.

- i. Motives and causes for the invasion.
- ii. Exposition of the Seward Doctrine.
- iii. Withdrawal of French forces: moral effect.

##### (b) The Doctrine of Paramount Interest.

- i. Interest in Cuba: the *Virginius* affair.
- ii. The American Doctrine of Secretary Fish.
- iii. Re-application to the Canal question.
- iv. American intervention in South America, 1881-1883.
- v. Gradual extension of American policy.

d. *Problems of Internal Communication and Transportation.*

## (1) Characteristics of Overland Transit.

## (a) Survivals of Colonial Conditions.

- i. Sectional lack of progress in transportation.
- ii. Extensive use of Indian and animal carriers.
- iii. Nature of mountain and provincial roads.
- iv. Difficulties in overland trade.

## (b) Recent Introduction of Rapid Communication.

- i. Use of the telegraph, telephone and wireless.
- ii. Interest in commercial aviation.

## (2) Development of Steam Transportation.

## (a) The Value of Inland Waterways.

- i. Territories penetrated by navigable rivers.
- ii. Cost and relative safety of river transportation.
- iii. Character of river and lake boats: speed and capacity.

## (b) Coming of the Era of Railways.

- i. Origin of railway programs: sources of capital.
- ii. Areas opened to railway facilities: total mileage.
- iii. The proportion of local and trunk lines.

## (c) Character of Railway Policies.

- i. State and private ownership of roads.
- ii. Prevailing passenger and freight rates.
- iii. Politics in railway construction.
- iv. Pan-American railway projects.

## 2. SURVEY OF UNITED STATES BUSINESS RELATIONS

*a. Beginnings of Economic Penetration.*

## (1) Factors Controlling the Latin-American Trade.

## (a) History of the Trade with Latin America.

- i. Colonial and early national commercial intercourse.
- ii. Reasons for trade decline.

## (b) Causes for Renewed Commercial Interest.

- i. Rise of United States industries: market needs.
- ii. Demands for raw materials.
- iii. Recovery of the merchant marine: war effects.
- iv. Results of changing political relations.

## (c) Present Status of the American Trade.

- i. Steamship lines and shipping facilities.
- ii. Extent of trade growth: statistics.

## (2) Present Degree of Economic Penetration in Latin America.

## (a) United States Investments in Latin America.

- i. Extension of Government aid and support.
- ii. Private capital in Latin-American industries.
- iii. Comparison of American and European investments.

## (b) Latin America as an American Market.

- i. Establishment of United States export agencies.
- ii. Expansion of banking institutions: instances.
- iii. General interest in the Latin-American field.

## (c) Extent of European Commercial Relations.

- i. Statistics on the European trade.
- ii. Tendencies since the World War.

b. *Obstacles to American Commercial Success.*

## (1) The Obstacles of Assumption and Prejudice.

## (a) Ignorance of Latin-American Conditions.

- i. Absence of ties with southern nations.
- ii. Historical reasons for mutual ignorance.
- iii. Strangeness as the basis of trade difficulties.

## (b) Inherent and Acquired Prejudices.

- i. Results of racial and language differences.
- ii. Dissimilarity of institutions and traditions.
- iii. Effect of national pride and arrogance.
- iv. Mutual reaction of United States expansion.

## (2) Faults in American Business Methods.

## (a) Business Practices Requiring Correction.

- i. Indifference to Latin-American trade needs.
- ii. Vacillating policies of American shippers.
- iii. Faulty methods in salesmanship.
- iv. Disregard of credit requirements.
- v. Faulty packing and shipping practices.

## (b) Weak Points in Business Policies.

- i. Entrusting of commercial interests to foreigners.
- ii. Lack of a definite national commercial policy.
- iii. Absence of a national trade conscience.

- (c) Signs of Improving Trade Conditions.
  - i. Steps in Latin-American trade education.
  - ii. Partial realization of trade essentials.

### 3. ELEMENTS OF FUTURE COMMERCIAL GROWTH

#### a. *Shipping Methods in Latin-American Trade*.

##### (1) The Preparation of Goods for Export.

- (a) Facilities for Exporting to Latin America.
  - i. Nature and functions of export commission houses.
  - ii. Establishment of export agencies.
  - iii. Effects on recent American trade.
- (b) Factors in Determining Packing Methods.
  - i. Means and routes of transportation.
  - ii. Port conditions and transshipments.
  - iii. Conditions along routes of transit.
  - iv. Latin-American customs requirements.

- (c) Proper Marking of Goods.
  - i. Varying kinds of weight markings.
  - ii. Relation of marking to the duties levied.
  - iii. Correct addressing: government exactions.
- (2) Shipping Requirements and Precautions.
  - (a) Insurance Considerations.
    - i. Types of commercial insurance.
    - ii. Liabilities of shipper, carrier, and customer.
  - (b) Kinds and Essentials of Shipping Papers.
    - i. Features of Latin-American invoices.
    - ii. Importance of correct papers.
    - iii. Determination of freight rates.
    - iv. Custom house regulations: clearances.
    - v. Details of business correspondence.

#### b. Considerations Essential to Commercial Success.

- (1) The Matter of Banking and Credits.
  - (a) The Use and Abuse of Credit.
    - i. The need of accuracy in quotations of terms.
    - ii. Necessity for long credits in Latin America.
    - iii. General dependability of Latin-American firms.
    - iv. Extension of credits and collections.

- (b) Banking Practices.
  - i. Kinds and usages of drafts.
  - ii. The use of time drafts in Latin America.
  - iii. Comparison of American and European practices.
- (2) Methods of Building Business in Latin America.
  - (a) Advertising and Soliciting.
    - i. The advertising qualities required.
    - ii. The use of export journals, technical and news papers.
    - iii. Growth of the mail order business.
    - iv. Importance and essentials of catalogs.
    - v. Advantages of personal representation.
    - vi. Need of American emigration or residence abroad.
  - (b) Necessity for the Study of the Commercial Field.
    - i. Variations in markets and needs.
    - ii. Size of the field: geographic and climatic contrasts.
    - iii. Character and extent of competition.
    - iv. Nature of Latin-American needs and standards.
  - (c) The Question of Business Attitude.
    - i. Essentials of business organization.
    - ii. Importance of catering to desires and needs.
    - iii. Anticipation of slow market development.
